

NEW ORLEANS POLICE DEPARTMENT

2023 COMMUNITY POLICING AND ENGAGEMENT ANNUAL REPORT

NOPD agrees to prepare a publicly available report on a quarterly basis detailing its community policing efforts in each District, including developing community partnerships and participation in public meetings, and its problem-solving activities, including specific problems addressed and steps taken by NOPD and the community toward their resolution. This report also shall identify obstacles faced and recommendations for future improvement. Annually, NOPD agrees to issue a publicly available report that summarizes these problem-solving strategies and community policing activities for the entire year. [Consent Decree ¶228]

The purpose of this report is to assess the effectiveness of NOPD’s community partnership and problem-solving strategies in accordance with Consent Decree ¶ 228.

Policy Statement¹

The New Orleans Police Department (NOPD) shall promote and strengthen community partnerships, work constructively with the community, ensure collaborative problem solving, ensure ethical and bias-free policing, and work to increase community confidence in the Department.

The New Orleans Police Department will effectively engage the community in collaborative problem solving. NOPD will partner with residents and stakeholders to identify and solve problems that contribute to crime, fear of crime, and quality of life problems in communities. The Department is committed to proactively solving problems as well as reacting to their harmful consequences.

The mission of the New Orleans Police Department is to provide professional police services to the public to prevent crime, maintain order and protect life and property. NOPD is committed to the philosophy and practice of community problem-oriented policing to inform organizational decisions, shape policies, identify training needs, and prioritize crime fighting by engaging each neighborhood and community organization in collaborative problem-solving partnerships. Community problem-oriented policing, and community policing and engagement are critical methods toward achieving NOPD's mission.

The New Orleans Police Department will collaborate with community stakeholders and partners on policing and engagement efforts. The Department encourages its members to develop problem solving partnerships with community residents.

NOPD recognizes that it serves many diverse communities. Communities arise not only from shared geography but also social ties, common perspectives, and shared circumstances (for example, the LGBTQ+ or Limited English Proficiency (LEP) community). NOPD shall seek to engage all communities in its community policing and engagement efforts.

NOPD's recruitment efforts shall focus on hiring officers who can build relationships and work collaboratively with all communities.

This Chapter operates in tandem with many programs and policies focused on properly serving and collaborating with a variety of communities, including but not limited to **Chapter 41.13 – Bias-Free Policing, Chapter 41.13.1 – Interactions with LGBTQ Persons, and Chapter 55.4 – Limited-English Proficiency Services.**

The Department sets forth its community policing vision in its **Community Policing and Engagement Manual²**. The Department shall review the Manual annually and update the manual as necessary.

Definitions³

Community Engagement—Activities that foster positive interactions between citizens and officers, employ community policing ideals, create opportunities for constructive exchanges, and foster substantive collaboration with the community, while enhancing trust and legitimacy.

Community Liaison Officer (CLO)—A member of the NOPD who is responsible for facilitating communication between the community and their assigned police district. A CLO's primary function is to focus on problem orientated policing and resolution in the communities they serve, specifically to address community quality of life issues and build trusting relationships between the NOPD, District, officers and the residents and stakeholders in each police district.

Community Policing—A philosophy and operational strategy that promotes organizational practices that support the systematic use of partnerships and problem-solving techniques to work with the community to address the immediate conditions that give rise to public-safety issues such as crime, social disorder, and fear of crime.

Community Policing Forms (CPF)—The document used by the NOPD to record and track Community Policing and Engagement activities, such as events, meetings, quality of life concerns, problem-solving initiatives and actions, and updates to District Community Policing Plans. Forms are completed by the officers engaged or responsible for the resolution of the issues.

Community Policing Plan—A district-specific blueprint of collaborative partnerships with the community. The Community Policing Plan will address the unique needs of the communities serviced in each District. Each district's Captain is responsible for plan development.

Community Policing Signals—Community policing signals allow the Department to document specific tasks for proactive and community policing. The signals are Area Check, Business Check, Directed Patrol, Residence Check, Quality of Life, and Walking Beats. When dispatched on community policing signals, officers will employ procedural justice techniques.

- **Area Check**—Officers will utilize the area check signal when patrolling an area within the District that has been pre-determined as an important area either by the community or the Department.
- **Business Check**—Officers will utilize the business check signal to engage occupants at a business within the District.
- **Directed Patrol**—Officers will utilize the directed patrol signal to execute a focused collaborative problem-solving, departmental problem-solving, or community policing and engagement in the targeted area.
- **Residence Check**—Officers will utilize the residence check signal when the officers physically exit the patrol car and engage occupants at a specific residence absent a call for-service.
- **Quality of Life**—Officers will utilize the quality-of-life signal when responding to any type of quality-of-life problem.

³ NOPD Chapter 10.0: Community Policing and Engagement

- **Walking Beat**—Officers will utilize the walking beat signal while executing a defined and assigned walking beat.

New Orleans Neighborhood Police Anti-Crime Council (NONPACC)—NONPACC is a partnership amongst the community, district captains, and officers to create conversations, identify problems, and devise solutions. Members of the public voice their concerns directly to the District Captain during face-to-face meetings.

Police Community Advisory Board (PCAB)—A board consisting of five to seven citizen volunteers from their respective police districts. PCAB members serve a two-year term and meet quarterly to address community issues. The City’s Office of Neighborhood Engagement coordinates the application and selection process for PCAB volunteers. The Superintendent has final approval on the selection of members to serve on PCABs.

Problem—A situation that concerns, causes, or carries the potential to cause harm to citizens, not just the police. A problem generally involves a situation of substantial community concern, or repeated incidents occurring in a community with related characteristics (time, place, behavior, victim(s), offender(s)) that concern the community.

Problem-Oriented Policing—A proactive problem-solving approach that uses the SARA model to focus on proactive solutions, specific crime problems and achieving crime and fear reduction results. The problems should be those that the community recognizes as important.

Procedural Justice—Procedural justice refers to the idea of fairness in the processes that resolve disputes and allocate resources and specifically how the characteristics of police community interactions shape the public’s trust of the police. Procedural justice speaks to four principles, often referred to as the four pillars:

- (a) Fairness in the processes
- (b) Transparency in actions
- (c) Opportunities for voice
- (d) Impartiality in decision making

Scanning, Analysis, Response, Assessment (SARA) Model—An approach wherein the community and the department work together to scan for problems, analyze information, respond through implemented strategies, and assess the effectiveness of implemented strategies.

Community Engagement Section Overview

The Community Engagement Section is comprised of several sub-sections to meet the needs of the entire New Orleans Community. Those sections include but are not limited to, Community Liaison Officer, School Resource Officers, Police Athletic League, Language Access Coordinator, NONPACC/APACC, LGBTQ Liaisons, Police Community Advisory Board, Victim/Witness Assistance Program.

The New Orleans Police Department is committed to ensuring the philosophy of Community Engagement and Community Policing is embedded in every aspect of policing. Through the areas of Community Engagement, the New Orleans Police Department meet directly with Community members, to listen to and address their concerns, with the assistance of community partners and other city agencies.

In 2023, the Community Engagement Team began drafting plans to implement the Officer Friendly Program. In 2024, 7th District School Resource Officer Cleveland Johnson hosted the first presentation of the Officer Friendly Program for students in kindergarten - 4th Grade. The Officer Friendly program is one of the most requested programs by the Community. Most residents recall their first interaction with Law Enforcement in elementary school, when Officer Friendly and his pal, McGruff visited their school. The visits left a lasting positive impression on students. Studies have shown that a positive interaction, with value-based resource information, has contributed to positive decision making by youth.

Teaching youth basic crime prevention and self-protection techniques helps keep them from being victims of crime. By interacting with youth at an early age, it allows Law Enforcement to build a positive relationship with lasting effects.

The New Orleans Police Department Officer Friendly program has been featured in Channel 4 WWL, and in the Law Enforcement Community Engagement Network (LECEN) March 2024 newsletter.

The New Orleans Police Department is committed to continuing the Community Engagement and Community Policing Philosophy to improve the quality of life for all residents.

During 2023, the Professional Standards and Accountability Section (PSAB) issued here Department Training Bulletins (DTBs) to refresh employees on policies, procedures, trainings, and basic concepts of the Department's Community Engagement and Policing Philosophy and Bias Free matters. The DTBs and timeframes were as follows, September covered Limited English Proficiency, including the usage of language interpretation services and translations, and May and November covered Community Engagement and Bias Free, including matters regarding Stops and Searches of the individuals based on gender identity.

Department Community Engagement and Policing Activities

In 2023, the New Orleans Police Department hosted and attended many events during the year. These events are separate from the various events hosted and/or attended by each police district and/or specialty division/unit. Events hosted by the Department are publicized and advertised via social media and news media outlets in order to reach the entire city and surrounding areas, including flyers which are translated into Spanish and Vietnamese for the LEP Community.

A list of the 2023 fourth quarter Community Engagement Events and events that were not highlighted in the previous reports:

Summer Basketball League: August 2023

In August 2023, the Community Engagement Unit hosted the final summer league game. The department partnered with Thrive department's first Summer Basketball League. In partnership

with the New Orleans Recreation Department, youth from across the New Orleans Area were able to participate in sports and gaming activities, with teams from the New Orleans Police Department, Orleans Parish Sheriff's Office, New Orleans Fire Department and Opelousas Police Department. 23 teams participated, with over 500 youth participating.

D.A.R.E.: Conference August 2023

In 2023, the New Orleans Police Department was able to send 2 officers to attend the DARE conference and training. The Officers are certified to provide the curriculum to students in 5th and 6th grades. Due to schools doing testing in the fall, the officers will begin providing the training in the spring session.

Citizens Police Academy: August 2023

In 2023, the Community Engagement Unit hosted 2 cohorts for the Citizens Police Academy. The Citizen's Academy is a program designed to provide adults (any age) with an opportunity to get an in-depth look into the New Orleans Police Department and the Criminal Justice system through lectures and hands on learning.

Night Out Against Crime: September 2023

In September 2023, there were 98 neighborhoods registered for Night Out Against Crime. The City of New Orleans and the New Orleans Police Department hosted the event at the Milne Recreation Center. There were several resource vendors and youth musical performances.

Committee for a Better New Orleans November 2023

The Community Engagement unit participated in the 55th Cohort for, A Committee for a Better New Orleans. The 60 class participants held discussions around Community Engagement and Community Oriented Policing. The Sgt. Brewer discussed strategies and strengthened relationships with stakeholders and residents.

Coffee with a Cop October 2023

Superintendent Anne Kirkpatrick had the opportunity to get to socialize and speak to the people who served and attended the event. What a great way to start the day!

PrEpare Her Womens Gun Safety and Brunch

The Community Engagement team in partnership with New Orleans East Hospital to promote Gun Safety! 32 gun locks were distributed at the PrEpare Her Women's Health and Lifestyle Brunch. Sgt. Shannon Jones-Brewer was able to present during the brunch to give safety awareness tips.

Faith and Blue October 2023

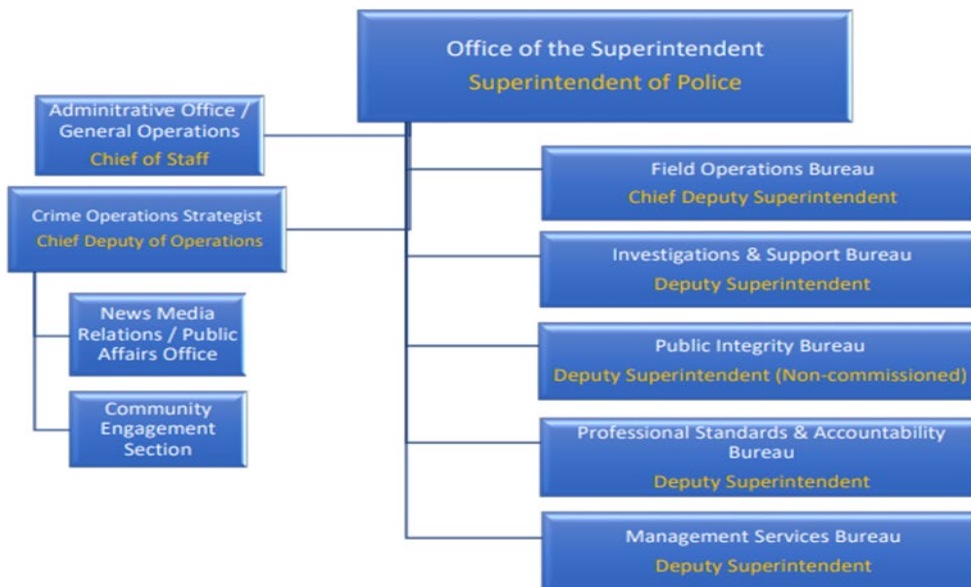

The NOPD celebrated Faith and Blue with Father Ajani Gibson and the parishioners from St Peter Claver Church. Faith & Blue is a powerful initiative that builds bridges to more inclusive communities by connecting law enforcement, faith leaders, and the community.

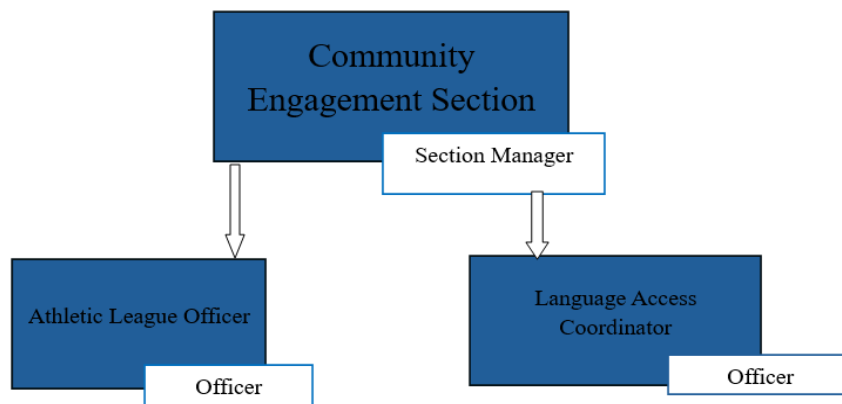

Below is the organizational chart for the New Orleans Police Department and the illustration of the Community Engagement Section hierarchy.

New Orleans Police Department

Office of the Superintendent

The below chart demonstrates the structure of the Community Engagement Section.

Police Community Advisory Board (PCAB)

PCABs allow community members an opportunity to meet and discuss problem areas that directly affect each area of their district. During the fourth quarter, although some PCABS met, none of the boards had documented recommendations submitted to the District Captains. These meetings were canceled because of scheduling conflicts, meeting participants quantity, a challenge between the members to agree on an available date for members, and holiday events. NOPD is recommending that the boards submit a documented reason for canceling their required quarterly meetings. The New Orleans Police Department remains committed to working and collaborating with PCAB and the Mayor’s Office of Neighborhood Engagement to ensure this program is a success and the community feels they have a voice in the improvement of their communities and problem-solving.

The Community Engagement Review Procedures require the following to determine compliance with the PCAB Meeting and Recommendation requirements:

PCAB Meetings & Recommendations Review: Checklist⁴

PCAB Meeting Attendance—Did the District Captain, or District Lieutenant, attend a scheduled PCAB meeting? [Y/N/NA]

PCAB Recommendation Timeliness—Did the District Captain accept or reject the recommendation within 20 business days? [Y/N/NA]

NOPD Response – Did the District Captain explain the reason for a rejection? [Y/N/NA]

Course of Action –Did the NOPD District Captain document the next course of action for any recommendation that is adopted?

⁴ A response of “N/A” will be given for applicable answers when a PCAB meeting did not occur or there weren’t enough members in attendance to vote on recommendations for the districts as stated in the [PCAB Manual](#).

2023 Q4

District	Meeting Attendance	Recommendation on time	NOPD Response	Course of Action
1st	N	N/A	N/A	N/A
2nd	N	N/A	N/A	N/A
3rd	Y	N/A	N/A	N/A
4th	N	N/A	N/A	N/A
5th	Y	N/A	N/A	N/A
6th	N	N/A	N/A	N/A
7th	N	N/A	N/A	N/A
8th	N	N/A	N/A	N/A

District Specific Assessment and Community Policing

The below sub-sections give a detailed overview of each district's Community Policing Signal usage, Community Policing Forms assessment and scorecard, Community Policing Plan updates, Geo-deployment data, NONPACC/APAC Meeting assessment, and the progress and/or initiation of POP Projects. The district data has been separated to illustrate the holistic overview of all Community Engagement tools and mechanisms working together to achieve district specific goals. The data collected will vary in each district as they each have different focuses, goals, tasks, and measurable achievements specific to their area and community on a continuous basis.

- **Community Policing Forms Assessment and Scorecard:** Community Policing Forms (CPFs) were implemented to highlight various community policing efforts in each district. In addition to community policing signals, the department continues to support community groups by capturing outreach and problem-solving partnerships through documentation on Community Policing Forms. Documentation of community engagement activities and district plan updates are housed in an electronic internal database called SharePoint. The data collected from these form entries are also displayed for public view on the MAX dashboard at nopdnews.com/transparency/dashboards/. The NOPD's completion of the CPFs is a major component of tracking and monitoring Community Engagement throughout the Department. Assessing these forms for its completeness and accuracy determines compliance of the documentation process set forth in the Community Engagement Review Procedure and Manual.

During the fourth quarter of 2023 (October, November, and December), NOPD employees throughout the Department completed **292** Community Policing Forms covering the following appropriate topics:

- a. Strengthening Relationship
- b. Crime Prevention
- c. Problem Solving (SARA)

- d. Crime Trends
- e. Residence Business Security Evaluation
- f. Event Coordination
- g. Meeting
- h. Community Policing Plan

Of those 292 forms created, **105** forms were selected for audit according to the Community Engagement Review Procedures⁵ as explained below:

CPF entries are fed into and housed on a secured internal network drive accessible to all NOPD personnel (NOPD Web Applications). The PSAB Innovation Manager exports the form entries from the database into a Microsoft Excel spreadsheet⁶ and selects a sample size from the entries based on activity type and forms completed for the targeted time frame of the audit. The CPF entries are sorted by activity type and saved in five separate Microsoft Excel spreadsheets according to the below criteria:

- i. Spreadsheet #1 contains all “Strengthening Relationship”, “Event Coordination”, “Meeting”, and “Other” entries;
- ii. Spreadsheet #2 contains all “Crime Prevention” and “Residence Business Security Evaluation” entries;
- iii. Spreadsheet #3 contains “Problem Solving (SARA)” entries;
- iv. Spreadsheet #4 Crime Trends⁷; and
- v. Spreadsheet#5 Community Policing Plans.

The PSAB Innovation Manager, or designee, selects a sample size from each Spreadsheet according to the eight police districts and other divisions completed by Department personnel. A randomizer is used to select four (4) form entries from each district on each spreadsheet, if a district or division has less than four (4) entries then all entries are selected. This process is only used for Spreadsheet #1- #4. All form entries are audited for Spreadsheet #5.

• **NONPACC/APAC Meetings:** The NONPACC/APAC (Algiers Police Anti-Crime Council) meeting is held monthly in each of our eight districts and is meant to provide a forum for residents to voice their concerns directly to the District Captain and other key NOPD personnel. In particular, the District Captains present key activities and information related to community events (past and upcoming), community meeting details (upcoming

⁵ The Community Engagement Review Procedure was developed in 2021, and approved by the U.S. Department of Justice, to ensure NOPD’s community engagement activities and community policing philosophy are consistent with the U.S. Constitution, other federal, state, and local laws as well as NOPD policy. This is an internal document housed with the Community Engagement Section and PSAB.

⁶ The data that is collected to conduct this audit and produce the audit results is kept internally and is not released to the public.

⁷ The “Crime Trends” is no longer being assessed and collected.

dates, times, and locations), crime prevention, district crime statistics, community policing strategies, quality of life matters, Community Policing Plan updates, and solicit feedback and additional information from the community. Districts NONPACC/APAC Meetings are assessed based on a checklist of three components:

- NONPACC Meeting Held- Absent exigent circumstances, the NONPACC meeting was held on its scheduled date. [Y/N/NA]
- Meeting Minutes – Meeting minutes contained a summary of community concerns discussed. [Y/N/NA]
- Meeting Minutes – Meeting minutes contained a summary of a discussion on the progress of the Community Policing Plans. [Y/N/NA]

With the modification of Covid-19 restrictions, Districts have been able to resume in-person community meetings, while maintaining the virtual platform as an alternative viewing option for the attendees.

NONPACC/APAC Meeting Dates

1st District - 6:00pm at 501 N. Rampart St.- 504-658-6010 (Every Third Tuesday)

2nd District - 6:30pm at 3401 Broadway. - 504-658-6020 (Every Second Tuesday)

3rd District - 6:00pm at 4600 Paris Ave. - 504-658-6030 (Every First Wednesday)

4th District - APAC – 6:00pm at 2405 Sanctuary Dr. - 504-658-6040 (Every Third Wednesday)

5th District – 6:00pm at 3900 N. Claiborne Ave. - 504-658-6050 (Every Second Wednesday)

6th District – 6:00pm at 1930 Martin Luther King Blvd. 504-658-6060 (Every Second Wednesday)

7th District – 6:00pm at 10101 Dwyer Rd. - 504-658-6070 (Every Third Wednesday)

8th District – 6:00pm at 334 Royal St. - 504-658-6080 (Every Third Tuesday)

- **POP Projects:** Problem Oriented Policing (POP) Projects are designed to address concerns that have developed outside of the priorities and goals outlined in the District Community Policing Plans. These matters of concern usually involve solving problems that have become a nuisance in a particular location that have attracted criminal activity and decreased the quality of life in a neighborhood. These projects include long term solutions and the collaboration with other City agencies and/or private companies and organizations to fulfill and complete project tasks.

Districts are currently working on continued POP Projects and initiating projects for the beginning of 2024 as it relates to their Community Action Plans.

2023 4th Quarter Scorecard Review

The assessment of the Community Policing Form (CPF) Scorecard is a review of the accurate and complete documentation of community events, event coordination, meetings, business/resident security checks, problem solving initiatives (using the SARA Model), crime prevention, and strategies towards the completion of District Community Policing Plans. The Community Engagement Section manager and PSAB Innovation Manager have noticed a variety of fluctuations in forms submitted throughout the eight districts. During the monthly CLO meetings, discussions are held to determine if there are any areas and/or external needs preventing the completion of forms or any guidance that can be given to maintain a steady submission of forms completed by district personnel. It is important districts complete the CPFs to ensure the Department receives and maintains an accurate recordation of community work done by its employees.

The summary scorecards for the fourth quarter assessment are below. An explanation of the individual districts' actions is documented in the individual district sections.

Community Policing Scorecard - Overall Summary					Review Period: 4Q 2023

Procedural Justice Scorecard

Procedural Justice refers to the idea of fairness in the processes that resolve disputes and allocate resources and specifically how the characteristics of police-community interactions shape the public's trust of the police. Procedural Justice speaks to four principles, often referred to as the four pillars:

1. Fairness in the processes
2. Transparency in actions
3. Opportunities for voice
4. Impartiality in decision making.

To measure Procedural Justice, the NOPD scores officer interactions during traffic stops based on protocols established in Chapter 41.13 Bias Free Policing. When conducting consensual contacts, investigative detentions, traffic stops, arrests, and searches and seizures of property, officers must:

1. Be professional and polite,
2. Provide a self-introduction,
3. Explain the reason for the contact,
4. Ensure the length of detention is reasonable,
5. Answer any reasonable questions that the citizen may have, and
6. If the reasonable suspicion for the stop is dispelled or the stop was made in error, explain why the error was made and apologize for any inconvenience.

The Procedural Justice Scorecard below highlights officer compliance in June 2023 – May 2024. The summary and score for the Procedural Justice category can be found on [NOPD - Consent Decree - City of New Orleans \(nola.gov\)](#) for incidents reported in June 1, 2023 – May 31, 2024. The results of this audit will be published upon its completion.

Compliance randomly samples CAD items that were initially 18s or 107s, had dispositions of NAT or RTF, and are self-initiated for each District/Unit.

For an explanation of the procedure and scoring system for this review, see the "Scorecards Explained" section of this packet.

For a list of relevant policies, see the accompanying "List of Policies Relevant to Procedural Justice."

For the audit results for each stop see the accompanying RawData spreadsheets.

Scores below 95% are highlighted in red.

1st District

The First District's priorities include the following: 1. Reduce overall crime in the First District by utilizing a deployment strategy (GeoDeploy) that assigns the same officers in the same areas, which assists officers in recognizing crime trends and building relationships with community members. 2. Reduce nuisance and criminal activity under the North Claiborne Avenue underpass on weekends as this location accounts for 35% of shootings in the First District. 3. Reduce the overall number of car thefts and car jackings in the district. 4. Increase Juvenile Engagement

The 1st District is neighbors to the historical 8th District encompassing the French Quarter and Central Business District; with that being the case this district includes residential homes and occupants, tourist attractions, businesses, and schools.

The 1st District holds its monthly NONPACC Meetings on the third Tuesday of each month at various locations in the district, including the district station, schools, business venues, and community spaces while continuing to utilize WebEx, a virtual platform, for attendees to view at their convenience. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter. The October meeting was cancelled due to National Night Out Against Crime and the November meeting was cancelled due to the Thanksgiving Holiday. The December meeting agenda and presentation contains stats and updates from October and November months.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	N	N/A	N/A
November	N	N/A	N/A
December	Y	Y	Y

The 1st District received an overall score of **94%** in the assessment of Community Policing Forms audited for the fourth quarter, with the lack of submitting forms for Crime Prevention and Residence Business Security Evaluation and Problem Solving. The 1st District submitted a total of 19 form entries and 7 of those forms were audited. District personnel did not enter any forms in the area of Crime Prevention and Residence Business Security Evaluation nor Problem Solving. Four (4) form entries were audited for Strengthening Relationships, and three (3) forms was entered for Community Policing Plan Updates.

More detailed information about the 1st District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDFirst/>

2nd District

The Second District's priorities include the following: 1. Reduce Crime, 2. Youth Community Engagement, 3. Community Outreach and Transparency.

The 2nd District holds its monthly NONPACC Meetings on the second Tuesday of each month at the district station, while continuing to utilize WebEx, a virtual platform, for attendees to view at their convenience.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	Y
November	Y	Y	Y
December	Y	Y	Y

The 2nd District received an overall score of **100%** in the assessment of Community Policing Forms audited for the fourth quarter. The 2nd District submitted a total of 35 form entries and **17** of those forms were audited. District personnel entered forms for audit in the following areas, one (1) Problem Solving for review, four (4) Strengthening Relationships, two (2) Crime Prevention four (4) forms were audited, and Community Plan Updates, which called for nine (7) forms to be audited.

More detailed information about the 2nd District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDSecond>

3rd District

The Third District's priorities include the following: 1. To patrols in areas with increasing abandoned vehicles and illegal dumping. 2. Engagement with youth through school activities and events. 3. Community outreach and transparency. 4. Increase Real Time Crime Cameras (RTCC) in areas of concern.

The 3rd District holds its monthly NONPACC Meetings on the first Wednesday of each month in person and via WebEx, a virtual platform, for attendees to view at their convenience. With the new Captain, the district has transition to host hybrid meeting status, holding meetings in-person and virtually. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	N
November	Y	Y	N
December	Y	Y	N

The 3rd District received an overall score of **100%** in the assessment of Community Policing Forms audited for the fourth quarter. The 3rd District submitted a total of 88 form entries and **17** of those forms were audited. Four (4) forms were audited for Strengthening Relationships, Crime Prevention, and no forms were submitted for Problem Solving. While six (9) forms were audited in Community Plan Updates. The 3rd District personnel submitted the most forms in the fourth quarter.

More detailed information about the 3rd District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDThird>

4th District

The Fourth District's priorities include the following: 1. Enhance traffic enforcement & patrolling strategies to increase visibility within neighborhoods. 2. Enhance youth mentorship & engagement activities. 3. Partner with City agencies and community groups to abolish Abandoned vehicles & Crime Prevention. 4. Community Contact Engagement.

Algiers Police Advisory Committee (APAC): The 4th District holds its monthly APAC Meetings on the third Wednesday of each month at the district station while continuing to utilize Zoom, a virtual platform, for attendees to view at their convenience. The 4th District continues to utilize virtual platforms, Zoom and/or Facebook Live, for the convenience of the public meetings going forward. Individuals can attend meetings in person; however the district gets more participation from their attendees via the web. The below chart illustrates the requirements of the APAC Meeting Assessment for the fourth quarter.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	Y
November	Y	Y	Y
December	Y	Y	Y

The 4th District received an overall score of **83%** in the assessment of Community Policing Forms audited for the fourth quarter. The 4th District submitted a total of 54 form entries and **21** of those forms were audited and reviewed. Four (4) form entries were audited in the areas of Strengthening Relationships, one (1) in Crime Prevention, and none in the area of Problem Solving. While 16 forms were reviewed for Community Policing Plan Updates.

More detailed information about the 4th District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDFourth/>

5th District

The 5th District Community Policing Plan priorities include the following: 1. Traffic Enforcement in School Zones, 2. Address Public Health and Environmental Concerns, 3. Establish Safe Places for Youth, 4. Continue District Sector Walks.

The 5th District holds its monthly NONPACC Meetings on the second Wednesday of each month at the district station while continuing to utilize WebEx, a virtual platform, for attendees to view at their convenience. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	Y
November	Y	Y	Y
December	Y	Y	Y

The 5th District received an overall score of **95%** in the assessment of Community Policing Forms audited for the fourth quarter. The 5th District submitted a total of 46 form entries and **14** of those forms were audited and reviewed. Four (4) forms were audited in the areas of Strengthening Relationships and Crime Prevention, two (2) in Problem Solving, and four (4) forms were audited for Community Plan Updates.

More detailed information about the 5th District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDFifth>

6th District

The Sixth District's priorities include the following: Collaborative partnership with community to prevent person and property crimes, youth engagement through outreach, youth dialogue and school activities, managing issues associated with homelessness with quality of life.

The 6th District holds its monthly NONPACC Meetings on the second Wednesday of each month at the district station while continuing to utilize Zoom, a virtual platform, for attendees to view at their convenience. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	Y
November	Y	Y	Y
December	Y	N/A ⁸	N/A

The 6th District received an overall score of **97%** in the assessment of Community Policing Forms audited for the fourth quarter. The 6th District submitted a total of 13 form entries and **11** of those forms were audited. Four (4) forms were audited in the areas of Strengthening Relationships and seven (7) Community Plan Updates, while no forms were submitted in the areas of Crime Prevention and there were no completed projects to review and/or assess for Problem Solving. The form entry production continues to increase from the district personnel.

⁸ According to the sign-in sheet, no community members or guest were in attendance at the December NONPACC Meeting.

More detailed information about the 6th District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDSixth/>

7th District

The 7th District's Community Policing Plan priorities include the following: 1. Focus on Youth Engagement, 2. Enhancing the Quality of Life, and 3. Increase Patrol Visibility.

The 7th District holds its monthly NONPACC Meetings on the third Wednesday of each month at various locations in the district, including the district station, schools, and community spaces while continuing to utilize Facebook Live, a virtual platform, for attendees to view at their convenience. The meetings are posted on the Facebook page for viewer consumption at a later date. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter. The November 2023 Meeting was cancelled.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	Y	Y	Y
November	N	N/A	N/A
December	Y	Y	Y

The 7th District received an overall score of **100%** in the assessment of Community Policing Forms audited for the fourth quarter. The 7th District submitted a total of 11 form entries and **5** of those forms were audited. District personnel completed 4 (four) forms in the area of Strengthening Relationships, while one (1) form was reviewed for Problem Solving completion. The 7th District Personnel did not submit any forms in the area of Crime Prevention or Community Policing Plan Updates.

More detailed information about the 7th District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDSeventh/>

8th District

The 8th District Community Policing Plan Priorities include: 1. The Eighth District will partner with the community groups within the district to document existing cameras on residences and businesses, 2. The Eighth District will continue to work with the Homeless Assistance Unit and the City's Health Department to mitigate homelessness, 3. The Eighth District will partner with local agencies to mitigate graffiti on public property and historical buildings, and 4. Create new partnerships to establish a well-rounded relationship with organizations to improve the quality of life within the 8th District and maintain trusting relationships.

The 8th District holds its monthly NONPACC Meetings on the third Tuesday of each month at the district station and continue to utilize Facebook Live, a virtual platform, for attendees to view at their convenience. The below chart illustrates the requirements of the NONPACC Meeting Assessment for the fourth quarter. The October meeting was cancelled due to the National Night

Out Against Crime event and the November meeting was cancelled due to Thanksgiving Outreach event.

Month 2023	Meeting Held	Meeting Minutes	Summary of Plan Updates
October	N	N/A	N/A
November	N	N/A	N/A
December	Y	Y	Y

The 8th District received an overall score of **100%** in the assessment of Community Policing Forms audited for the fourth quarter. The 8th District submitted a total of 19 form entries and **16** of those forms were audited. District personnel entered four (4) forms in the all areas for assessment.

More detailed information about the 8th District can be found on their social media platform via this web-address <https://www.facebook.com/NOPDEighth>

2023 Geographic Deployment

Geographic Deployment (geo-deployment) is a fundamental component of the Department's community policing strategy and helps facilitate more contact between the police and the community stakeholders within a particular area. Officers are assigned to the same Car Sector (patrol in their vehicle) or a walking beat to get familiar with the citizens and business while building relationships in their assigned area. Districts 1-7 have each been divided into 4 (four) Car Sectors: Sectors 1, 2, 3 and 4. The 8th District, which encompasses a smaller geographical footprint, has been divided into 3 (three) Car Sectors and walking beats (Bourbon Promenade): Sectors 1, 2 and 3.

In the event an officer(s) must leave their assigned sectors and handle an incident outside of that sector, their supervisor is required to complete a "Deviation Form" to account for their absence in the sector. In 2022, the Deviation Form was transferred from a manual paper form for completion to an electronic form that is stored on the Department's internal database for efficient record keeping and submission.

The chart below illustrates the number of Deviation Forms submitted by each district during the fourth quarter and reflects the reason for deviation that is documented on each form that is captured by the electronic management dashboard. Districts that are not listed did not submit any Deviation Forms during this quarter.

Deviation Reasons by District

District	Staffing	Backlog	Major Scene	Insufficient - DCAT, AI, Report Car	Insufficient - Not covering all zones	Insufficient - Sector Shared	Other
1st	1	0	0	0	0	0	0
2nd	27	0	0	0	2	0	0
4th	15	0	0	0	3	1	4
6th	2	0	0	0	0	0	0
Total	45	0	0	0	5	1	4

The chart below illustrates which sectors were affected by the officer deviations.

Sectors with Insufficient Coverage by District

District	Sector 1	Sector 2	Sector 3	Sector 4
1st	0	0	0	1
2nd	5	13	1	13
4th	5	6	3	9
6th	1	1	1	0
Total	11	20	5	23

The charts below demonstrate the amount of time officers worked within and out of their sectors for the year of 2023 and the fourth quarter of 2023.

2023 Fourth Quarter (October, November, December) Geo-deployment Summary

District	Time Out of Sector (Hrs)	Time Working (Hrs)	% of Time In Sector
1	3859	8671	55%
2	3371	8740	61%
3	3742	8364	55%
4	3270	8463	61%
5	5448	11259	52%
6	4266	9890	57%
7	3823	8607	56%
8	3221	9249	65%

2023 Geo-deployment Total Summary

District	Time Out of Sector (Hrs)	Time Working (Hrs)	% of Time In Sector
1	13731	34169	60%
2	13450	37922	65%
3	14368	35943	60%
4	12368	40549	69%
5	17543	39486	56%
6	16102	38993	59%
7	15245	35595	57%
8	12976	35674	64%
Total	115784	298332	61%

The charts show that district personnel are managing their manpower and staffing to accommodate sector coverage in each district. The electronic deviation forms allow for district platoon supervisors to select more than one reason for area coverage and give them a vision of how the district area will be covered and managed for answering calls for service. This tool is beneficial for the Department as the days and weeks go on to determine the management of staffing, calls, and incidents covered as well as handling the backlog of calls at the end of each shift while keeping in mind the community relationship of continuously assigning the same officers to the same sectors.

Community Policing Signal Usage

NOPD uses Community Policing signals to capture proactive self-initiated problem-solving activities, as well as quality of life activities, in an efficient, geo-coded, time-stamped manner. The purpose of the community policing signals is to differentiate the officer's work tasks, and quantify the areas of concern through GPS technology, to ensure that some of the time spent on proactive patrols is spent scanning for problems, analyzing potential problems, and responding to problems in the community. The Orleans Parish Communications District transferred its codes and signals to a "Plain Text" coding system, the signal codes are listed below with the earlier version of the signal indications. NOPD can track its community policing activities and analyze the impacts of those efforts. The community policing signals include:

Area Check (*AreaCk* = 22A) — Officers will utilize the area check signal when patrolling an area within the District that has been pre-determined as an important area either by the community or the Department. An important area is a location where there is an issue that requires increased patrol. An important area can be determined by an increase in calls for service for a type of police matter, or crime trend, or increase citizen complaint regarding

crime or disorder in an area. This signal is used when patrolling a general area without a specific problem-solving strategy attached. Officers are scanning the area when utilizing this signal.

Business Check (*BusCk* = 22B) — Officers will utilize the business check signal to engage occupants at a business within the District.

Directed Patrol (*DirectP* = 22D) — Officers will utilize the directed patrol signal to execute focused collaborative problem-solving, departmental problem-solving, or community policing and engagement in the targeted area. For example, a 22D would be used to conduct any police activity linked to a problem-oriented policing project documented in the District’s Community Policing Plans, among other reasons.

Residence Check (*ResdCk* = 22R) — Officers will utilize the residence check signal when the officers physically exit the patrol car and engage occupants at a specific residence absent a call-for-service.

Quality of Life (*QOLife* = 21Q) — Officers will utilize the quality-of-life signal when responding to any type of quality-of-life problem. Quality of life concerns include, but are not limited to, citizen concerns regarding abandoned vehicles, blighted property, illegal tire dumping, and noise complaints. Quality of Life (QOL) matters include all issues where citizens request assistance from NOPD, excluding criminal complaints or threats to public safety.

Walking Beat (*WalkBt* = 22W) — Officers will utilize the walking beat signal while executing a defined and assigned walking beat.

NOPD uses community policing signals to document both its response to district Community Policing Plans and its broader community policing activities. By conducting activities based on the Community Policing Signals, officers are building relationships and partnerships with citizens, business owners, and stakeholders in their perspective districts. In 2023, NOPD initiated **18,724** community policing signals. In the fourth quarter of 2023, NOPD initiated **4,699** community policing signals. See the detailed chart below of the Community Policing Signals used.

NOPD provides extra patrols in Lakeview and Mid-City areas of the city. These are called the Lakeview and Mid-City Security Districts. These areas are located in the 1st and 3rd Police Districts and have been separated to account for their individual actions. These two locations and specialized units are tasked with providing extra patrols while using Community Policing Signals. The below chart includes the amount of Community Policing Signals used during these specialized patrols.

District	1st Quarter 2023	2nd Quarter 2023	3rd Quarter 2023	4th Quarter 2023	Total
First District	119	220	56	66	461

Community Engagement Specialized Units

Limited English Proficiency Services (LEP)

In 2023, NOPD received **756** LEP calls for service according to the Computer Aided Dispatch (CAD) data through Orleans Parish Communications District (OPCD). Of those calls, 188 LEP incidents received interpretation from an NOPD Authorized Interpreter (NOPDAI) and 58 incidents received interpretation using the VOIANCE services via the electronic interpretation device. The NOPD ended 2023 with 30 NOPDAIs; 28 Spanish speaking interpreters and 2 Vietnamese speaking interpreters. As personnel staffing changes and more employees are recruited to become authorized interpreters for the Department the number of NOPDAIs also fluctuates with these changes.

As the Department continues its contract with VOIANCE, a third-party company, to complete document translations for the LEP community, the Department has increased its number of translated documents and forms to 47 that have been translated into Spanish and Vietnamese for individuals needing these resources.

Below illustrates the number of LEP calls based on the CAD report for the fourth quarter. Of the fourth quarter's data involving LEP calls, **76** resulted in positive dispositions where some action or report was taken, **40** involved calls where subjects were gone when officers arrived, and **8** were duplicates or voided in the CAD system.

Month 2023	Report to follow	Necessary Action Taken	Gone on Arrival	Void/Duplicate	Total
October	26	7	18	2	53
November	12	4	13	2	31
December	17	10	9	4	40
Grand Total	55	21	40	8	124

Officer Guzman assisted with presenting the CERT training hosted by NOLA Ready in preparation for the hurricane season. Officer Guzman translated the presentation for the Spanish speaking individuals who were in attendance and was able to provide information and resources to the community for them to better prepare for natural disasters. It is the Department's mission to maintain relationships with the LEP communities and assist as appropriate and necessary as resources allow.

A complete assessment of the LEP Services and incidents can be found in the 2023 Limited English Proficiency Services Annual Report on [NOPD - Consent Decree - City of New Orleans \(nola.gov\)](https://nola.gov/nopd-consent-decree).

New Orleans Police Department Activity/Athletic League

Formally known as the Police Athletic League, the New Orleans Police Department developed the New Orleans Police Department Activity and Athletic League. Following COVID 19, the New Orleans Police and Justice Foundation discontinued its partnership with the National Police Athletic League. Through private sponsorships with the Police and Justice Foundation and City of New Orleans funding, the New Orleans Police Department hosted the Summer Basketball League. In partnership with the HOPE foundation, the Summer Basketball League hosted an 8-week summer basketball camp for kids and community members of all ages. The New Orleans Recreation Department, New Orleans Police Department, Orleans Parish Sheriff's Office, Opelousas Police Department, FBI, LSP and other agencies, partnered provide summer games with the community.

Activity and Athletic League coordinator, Officer Clarence Gray, coordinates the departments D.A.R.E. program, Officer Friendly program, Junior Citizens Academy for teens aged 16-18, and the Law Enforcement Torch Run with Special Olympics.

Junior Citizens Academy: September 5, 2023-October 10, 2023

In September, the Community Engagement Unit hosted the 2nd cohort for the Junior Citizens Academy. The Junior Citizens Academy is a program, in partnership with NORD, which offers youth aged 16-18 an opportunity to learn in a hands-on environment. There were 46 Graduates.

Junior Civic Leadership Academy October 2023

The Community Engagement Unit participated in the Neighborhood Engagement Junior Civic Leadership Academy. The students participated in discussions about Community Policing strategies. The 35-student cohort had an opportunity to meet with members of the departments Special Operation Division, Patrol Division, Fire Department and Emergency Medical Services.

The Summit October 2023

The Community Engagement Unit, in partnership with WBOK, has an opportunity to participate in "The Summit" with 375 students at Warren Easton Charter High School. Community stakeholders and leaders throughout the New Orleans Community participated in discussions with the students on Gun Violence, Bullying, social media and Community Policing.

Student Pledge Against Gun Violence October 2023

New Orleans Police Department, U.S. Attorney's office, Louisiana State Police and local schools, partnered to present students with the Student Pledge Against Gun Violence. Nearly 1000 students from across the New Orleans area participated in the pledge.

LGBTQ+ Liaison Unit

The LGBTQ+ Liaison Unit have continued to build and maintain relationships in the LGBTQ+ Community as well as with government and private agencies. The Unit is continuing to maintain diverse initiatives in the community and make the NOPD's presence an on-going effort at most events they are able to attend. And most importantly being an advocate and voice for those in the community of victims of crimes or police misconduct. The Unit ensures all aspect of the investigations are handled with dignity and proper protocols. Strategies and policies are also put in place to ensure that investigators in all matters are upheld to the NOPD standard and investigated without bias.

October 20, 2023 – Community Assist

- Sgt. Patin collaborated with the Manager of Wood Enterprises (Parent company of several LGBT bars and restaurants in the French Quarter) stating he was having problems connecting with City Hall over non-police issues and asked if I could help. Sgt. Patin was able to connect him with the Mayor's Office of Human Rights and Equity to address the concerns he was having.

November 2023 – National LGBTQ Task Conference Security Meeting

- The Unit collaborated with the Coordinator of the National LGBTQ Task Force and informed of a conference that was taking place in New Orleans in Jan 2024. The two groups developed a security plan for their attendees and wanted a Liaison point of contact should any issues arise with any members of the conference. Pre-planning between the coordinators, liaisons, and our intel unit took place. More information to come in 2024 Q1 report on the actual event.

School Resource Officer Reports/Activities

A School Resource Officer (SRO) is a designated officer within a District who provides specific support to schools. The SRO helps school officials cope with school violence and assists in creating a safe and conducive learning environment in public schools. The SRO is not a school disciplinarian. The SRO is a law enforcement officer, educator, and counselor. The SRO position also aids the Department to build trusting relationships with youth and humanize officers beyond the uniform.

During the fourth quarter months (October, November, and December) SROs activities are surrounding the holidays in these fall and winter months. As students and school personnel are getting settled into the school year, adding fun and exciting activities allows the students to be able to establish and form meaningful and trusting relationships with the officers. Planning these events allow the officers to collaborate with the students in a non-lawful manner and possibly establish mentorship opportunities.

School Resource Officers are responsible for completing SRO Activity Forms which are reviewed by the Community Engagement Section Manager and PSAB Innovation Manager. SROs can also document activities in a Community Policing Form if their activity does not correspond with the SRO documentation categories. According to NOPD Policy Chapter 1.20: School Incidents, School Resource Officers⁹, SROs are required to document the following activities:

- a. Provide counselling to a student.
- b. Conduct youth engagement activity session(s);
- c. Participate in school activities that build trust and relationships with the school staff and students;
- d. Refer students to the school's counsellor.
- e. Participate in parent-teacher conferences.
- f. Conduct student transports (to school if truant, Juvenile Intake Unit or Truancy Center); g. Collaborate with school staff, students, parents, etc. to solve a problem.
- h. Conduct an arrest.
- i. Distribute any departmentally approved materials to the school or students.
- j. Complete a Juvenile Warning Notice consistent with **Chapter 44.3 – Juvenile Warning Notice**.¹⁰

⁹ [Chapter 1.20: School Incidents, School Resource Officers](#)

¹⁰ [Chapter 44.3: Juvenile Warning Notice and Summons](#)

Victim Witness Assistance Services

The Victim-Witness Assistance Unit provides immediate and ongoing support to families and victims of homicides and other serious crimes. The VWAU is comprised of Social Service Advocates. The VWAU is also tasked with providing assistance to families and victims of homicide and other violent crimes obtain U-VISAs. ¹²The U-visa is a nonimmigrant visa that is reserved for victims of crime who assist law enforcement. It is meant to protect, and arguably reward, non-citizens who have suffered significant mental or physical abuse from a qualifying criminal activity and who are helpful with law enforcement or government officials in the investigation or prosecution of criminal activity. U-visa holders have legal status in the United States, receive employment authorization (work permit), and even a possible path to a green card and U.S. citizenship.

Each of the eight police districts are assigned Social Service Advocates. The Social Service Advocates are in NOPD's Headquarters but assigned to handle victims within their respective districts.

See below for a detailed breakdown of services provided by the Unit and individuals serviced in 2023.

VWA Services	1st Qtr	2nd Qtr	3rd Qtr	4th Qtr	Year-to-Date
Continuing Victims receiving services	722	894	1,373	1,374	4,363
New Victims receiving services	2,959	3,302	5,566	5717	17,544
U-VISA Received	14	5	12	55	86
U-VISA Completed	7	17	18	35	77
Total # of Victims receiving services	3,702	4,218	6,969	7,181	22,070

¹¹ The school in the 8th District (Homer Plessy Elementary) is current undergoing renovations and not opened. The school has relocated to another police district until the renovations are complete.

¹²Information on how to obtain a UVISA can be found at <https://citizenpath.com/faq/u-visa> or <https://www.uscis.gov/humanitarian/v>

Services provided:

- *Information and Referrals
- *Personal Advocacy and Accompaniment
- *Emotional Support and Safety Services
- *Shelter and Housing Services
- *Criminal and Civil Justice System Assistance

- FIRST DISTRICT WITH WARREN EASTON HIGH SCHOOL FOR STAND AGAINST GUN VIOLENCE
- NATIONAL NIGHT OUT AGAINST CRIME
- DOMESTIC VIOLENCE AWARENESS MONTH 2023 WITH OPSO

Obstacles and Recommendations

Obstacles

In 2023, the New Orleans Police Department experienced a decrease in overall crime. This is due in part to the department's holistic approach to addressing crime. The Community Engagement Section Manager and Innovation Manager will continue to work closely in monitoring the department's work within the community to ensure the departments mission is fulfilled.

Officers did not document the work to accurately reflect the work done in the area of Crime Prevention/Residence/Business Security Evaluation. The officers did not use the CPFs provided

to this evaluation. In meeting with the officers through monthly CLO meetings and during officer in-service training, a complete explanation of the required documentation for this form.

Recommendations

The Community Engagement Section manager and Innovation Manager will continue to do a continuous review of the above stated CPF's to ensure the officers are providing the correct documentation needed. The Department will continue to issue Daily Training Bulletins, reiterate requirements in annual in-service, and collaborate to provide internal advertisement of the completion of CPFs for all employees specifically on the topic of residence/business security evaluation, problem solving, and problem-oriented policing.

The Community Engagement Section Manager is working to revitalize the corrective action measures to ensure compliance with the pre-existing procedures within the Department.

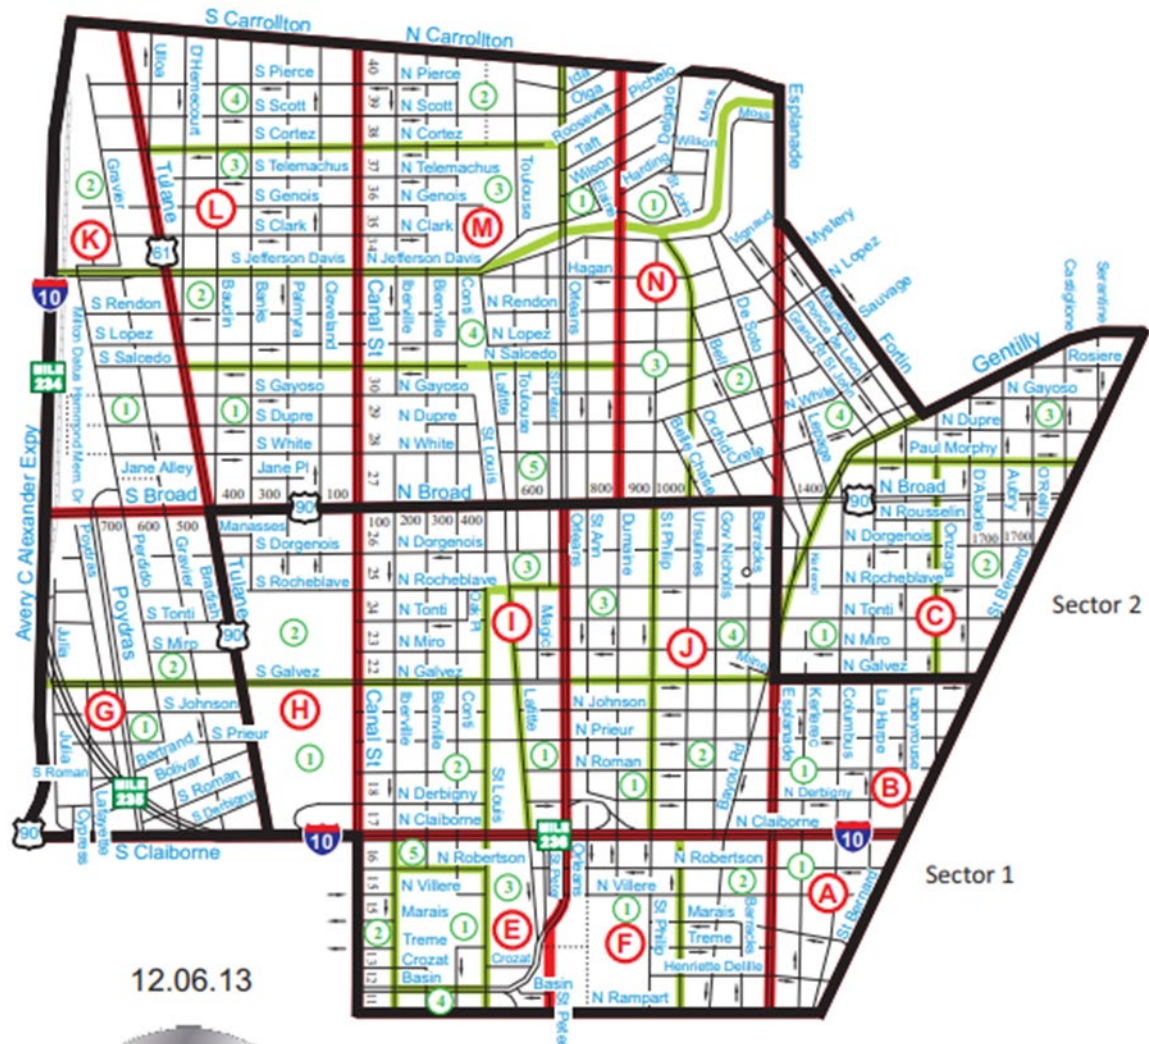

Conclusion

The New Orleans Police Department has remained focused improving inclusion of community engagement for all and bridging the gap in all communities we serve with the officers who serve those communities. NOPD is committed to expanding the public safety platform to better serve the community and create awareness throughout the city. NOPD is working with other city agencies to ensure that it provides a well-rounded environment and create inclusive initiatives to provide valuable resources, along with educations and social events to humanize the badge and maintain lasting and meaningful relationships.
